

2015 COMMUNITY BENEFIT REPORT

Caring for the communities we serve has been a long-standing belief at Pioneer Memorial Hospital & Health Services. As you read this report, our community benefit activities have taken many forms and involved many partners.

- Health Professions Education**
 Pioneer Memorial is committed to the education of current and future caregivers and provides clinical and educational opportunities for students pursuing careers in healthcare.
- Community Health Improvement Services**
 Pioneer Memorial is committed to improving the health of the communities we serve by providing education, health screenings, vaccination events and support groups.
- Cash and In-Kind Contributions to Community Groups**
 Pioneer Memorial is committed to improving the health of the communities we serve by providing cash and in-kind contributions to health care organizations and other community groups.
